EIP Scholarships for coaching are available for child care providers. Coaching is designed to help child care providers improve the overall quality of their child care program. Child care providers work with a coach to develop a strength-based effective coaching plan that addresses areas for learning and program improvement.

Coaching scholarship eligibility will be determined using the same guidelines used for all EIP scholarships. Scholarships for coaching taken with an approved coach will be issued at a rate of up to $55 per coaching hour. The maximum amount is $1,100 per year. EIP may also pay up to $700 for training, conferences or workshops, or up to $1,250 for credential training. An individual can receive a maximum of $1,800 in combined coaching and training activities, or a maximum of $2,000 in combined coaching and credential training.

Coaching hours are eligible to be used towards the 30 hour regulatory training requirement. Questions about this should be directed to your Licensor or Registrar at the New York State Office of Children and Family Services.

Individuals who hold the NYS Training and Technical Assistance Professional Coach designation (T-TAP Coach) and/or the Pyramid Model Practice Based Coaching endorsement are currently eligible to participate with EIP to provide coaching. Information on how to participate as a coach with EIP can be found at https://www.ecetp.pdp.albany.edu/become-eip-coach.aspx

Child Development Associate (CDA)

The Child Development Associate (CDA) Credential is a professional development opportunity for child care providers working with children ages birth to 5 years of age, to demonstrate their knowledge, skills and abilities to nurture the emotional, physical, intellectual and social development of children. Earning a CDA Credential can improve your skills and confidence working with children and demonstrates your professionalism and commitment to career advancement in early childhood education.

The CDA Credential is administered by The Council for Professional Recognition (the Council) in Washington DC. It is recognized in all 50 states, the District of Columbia, American Samoa, Guam and the Virgin Islands.

Please consult the CDA website at www.cdacouncil.org for the most current and up-to-date information regarding the CDA.

CDA Credential Settings

There are four settings in which candidates can obtain a CDA Credential:

- **Preschool:** For candidates working in a center-based setting with children 3-5 years old.
- **Infant/Toddler:** For candidates working with children from birth to 36 months of age.
- **Family Child Care:** For candidates working with one or all age groups in a family child care home.
- **Home Visitor:** For candidates working with the parents of young children.

*CDA training and assessment fees for the Home Visitor setting are not eligible for EIP scholarships.*

CDA Training

Before applying for the CDA Credential, the CDA candidate must complete and have documented 120 hours of formal childhood education training, with no fewer than 10 training hours in each of the following CDA Competency Standards and Functional Areas:

1. Planning a safe and healthy learning environment
2. Advancing children’s physical and intellectual development
3. Supporting children’s social and emotional development
4. Building productive relationships with families
5. Managing an effective program operation
6. Maintaining a commitment to professionalism
7. Observing and recording children’s behavior
8. Understanding principles of child development and learning
Some training organizations and colleges offer CDA training programs specifically designed to meet this requirement. Before enrolling in a CDA training program, we encourage you to research your options and determine which will best help you obtain your CDA Credential.

Training obtained as part of a CDA Credential program may be applied towards your 30 hours of required training. Questions about using CDA training to fulfill your regulatory training requirements should be directed to your Licensor or Registrar at the NYS OCFS (ocfs.ny.gov). Any training taken as part of the 30 hours of regulatory training requirement may help you meet the 120 hour CDA training requirement.

The Requirements and Steps for Obtaining the CDA Credential

Any time before you apply to the Council for the Initial CDA Application and Assessment, you must:

- Create an account with the CDA Council at www.cdacouncil.org.
- Be 18 years of age or older and hold a high school diploma or GED or be enrolled as a junior or senior in a high school career and technical program in early childhood education.
- Complete 120 hours of formal early childhood education training in the required subject areas.

Within 3 years of submitting your application:

- Obtain 480 hours of experience working with children in the setting and age group of the credential type you are applying for.
Within 6 months of submitting your application:

- Complete your CDA Professional Portfolio.
- Contact a CDA Professional Development (PD) Specialist to arrange for your CDA Verification Visit.

Submit the Initial CDA Application and Assessment

When you have completed all the application requirements - 120 hours of CDA training, 480 hours of work experience, your professional portfolio, and found a PD Specialist, use your CDA Council account to submit your Initial Application and Assessment online.

After reviewing your application, the Council will send you a “checkout” email which states your application is complete and payment is now due.

Application for EIP Scholarship

After your assessment application has been approved by the Council and you have received your checkout email, apply to EIP for your scholarship award. Submit a copy of the checkout email received from the Council with your EIP application supporting documents.

If your EIP application is approved you will receive an email to review and accept your EIP award. *

You will also receive an email from the Council with your voucher number. Login to your CDA Council account and redeem the voucher as payment for your application.

*Note: If you are sending a paper application to the Council, you must send a copy of your EIP award with your application to the Council. Online applications are preferred.

Ready to Schedule Notice

Once your application has been approved and either your voucher has been redeemed or payment has been made, you will receive a Ready to Schedule Notice from the Council. You may then schedule your CDA Verification Visit with the PD Specialist you have previously chosen and take the CDA Exam at a local Pearson VUE testing center. The results of both will be sent directly to the Council.

The Verification Visit and the CDA Exam must be completed within 6 months of receiving the Ready to Schedule Notice.

The Final Step

After the Council has reviewed the CDA Verification Visit results and the CDA Exam score, you are either awarded the CDA Credential or denied the Credential. If you are awarded the Credential, the official certificate will be mailed to you. If you are denied, the Council will let you know the next steps to take to earn the Credential.
The Verification Visit

You will need to have a Professional Development (PD) Specialist conduct a CDA Verification Visit. You must identify a PD Specialist who will conduct your verification visit before you submit your application to the Council. Once your assessment application is approved and payment is made, the Council will send you a Ready to Schedule Notice. You can then schedule your visit with the PD Specialist.

During the CDA Verification Visit, the PD Specialist will review your professional portfolio, training transcripts/certificates and family questionnaires. The PD Specialist will observe you working with the children. You will then have a reflective discussion focused on your areas of strength or growth found during the observation and/or in the portfolio and family questionnaires.

The PD Specialist will send your results directly to the Council. To find a PD Specialist in your area, use the online directory on www.cdacouncil.org

The CDA Exam

You will need to take the CDA exam at a local Pearson VUE testing center. The exam has 65 multiple choice questions – 60 questions and 5 scenario questions with a short narrative and a photo. You will have up to one hour and 45 minutes to complete the exam. Pearson VUE will send your exam scores directly to the Council.
Candidates must complete their CDA assessment application and have received a Ready to Schedule Notice in order to schedule the exam. You can schedule the exam either online or by phone. To find a Pearson VUE testing center near you go to http://www.pearsonvue.com/cdaexam/
