Behavior Management Plan

Think about your behavior management plan. Consider the following questions about your plan and how you apply this plan in your program. Answer yes or no to each question.

My guidance strategies are based on children's developmental stages and abilities.	YES / NO
I use behavior strategies as opportunities for teaching children to get along with others, resolve conflicts and accept differences.	YES / NO
Discipline techniques never include shaking, hitting, withholding food or rest, or frightening the child.	YES / NO
I never yell at the children in my care.	YES / NO
I am aware of my role as a mandated reporter and will fulfill my responsibilities if I see something that gives me reasonable cause to suspect.	YES / NO
I only use the "time out" method for the length of time it takes the child to regain control.	YES / NO

Now write down 3 things you could do to improve your plan.

1 _____

2 _____

3 _____
