Important Skills

Think about the skills that the kindergarten teachers and panelists mentioned as being some of the most important skills for children to have before entering kindergarten to be ready for success in school.

Answer the following questions.

1. Did anything they said surprise you? How so?

2. Pick one of the skills they mentioned and write down two or three things you are already doing to help children in your care develop that skill.

Skill: _____

What I'm already doing:

1. _____
2. _____
3. _____

3. For that same skill write down one thing you heard that you can start doing in your program tomorrow to help children develop the skill.
